RULES AND REGULATIONS

- 170 (B) The total charge for a divided shipment shall be the charge as provided in Item 630, for each additional pickup and delivery plus all other rates and charges accruing under this tariff. **IMPRACTICABLE PICK-UP OR DELIVERY**

(A) It is the responsibility of the shipper to make shipment accessible to carrier or accept delivery from carrier at a point at which the road haul vehicle may be safely operated.

(B) When it is physically impossible for carrier to perform pick-up of shipment at origin address or to complete delivery of shipment at destination address with normally assigned road haul equipment, due to the structure of the building, its inaccessibility by highway, inadequate or unsafe public or private road, overhead obstructions, narrow gates, sharp turns, trees, shrubbery, the deterioration of roadway due to rain, flood, snow, or nature of an article or articles included in the shipment, the carrier shall hold itself available at point of pick-up or tender delivery at destination at the nearest point of approach to the desired location where the road haul equipment can be made safely accessible.

(C) Upon request of the shipper, consignee or owner of the goods, the carrier will use or engage smaller equipment than its normal road haul equipment or provide extra labor for the purpose, if possible of accomplishment, of transferring the shipment between the residence and the nearest point of approach by the carrier's road haul equipment. Charges for this auxiliary service to cover labor and additional vehicle (if Used) will be as provided in Item 700 and shall be in addition to all other transportation or accessorial charges.

(D) If the shipper does not accept the shipment at nearest point of safe approach by carrier's road haul equipment to the destination address, the carrier may place the shipment, or any part thereof not reasonably possible for delivery, in storage at the nearest available warehouse of the carrier, or, at the option of the carrier, in a public warehouse, subject to a lien for all lawful charges. The liability on the part of the carrier will cease when the shipment is unloaded into the warehouse and the shipment shall be considered as having been delivered.

(E) Transportation charges to cover the movement of shipment or part thereof from point at which it was originally tendered to warehouse location shall be computed on basis of weight of shipment or that part of shipment stored in warehouse, subject to applicable rate as provided in tariff from point at which it was originally tendered to warehouse location, which shall be in addition to charges from initial point of origin to point at which shipment was originally tendered. All accrued charges on the shipment or any part thereof shall be due and payable upon delivery of same to the warehouse. Any subsequent movement from warehouse from shall constitute a new shipment.
